## **NEWS RELEASE**

### ***Optimal Awarded US\$348 Thousand Contract in Energy Market***

**Vancouver, B.C.** - Optimal Geomatics Inc., TSXV: OPG ("Optimal") a geomatics solutions provider to engineering and geospatial professionals, is pleased to announce a new contract totaling US\$348,000 from a long-standing electric utility customer in the Southwest. The project requires Optimal to conduct LiDAR survey and aerial photos for a part of the utility's overhead transmission line system.

Optimal Geomatics specializes in the science and technology of gathering, analyzing, interpreting, distributing and using geographic information. Optimal applies the disciplines of surveying, mapping, remote sensing, geographic information systems (GIS), and global positioning system (GPS) to provide solutions for engineering and geospatial professionals.
