NEWS RELEASE

Optimal Geomatics Announces Board Changes

Thanks Retiring Directors

Vancouver, B.C. - Optimal Geomatics Inc. TSXV: OPG ("Optimal"), announces that Mr. Erik Dysthe and Mr. Greg Peet stepped down as Directors at the Annual General Meeting of shareholders on March 13, 2008. "Both Erik and Greg made significant contributions to Optimal during their tenure on our Board" said Mr. Caldwell, President and Chief Executive Officer. "I wish to thank Erik and Greg for their support and advice during a critical period in the growth and development of Optimal".

Optimal Geomatics specializes in the science and technology of gathering, analyzing, interpreting, distributing and using geographic information. Optimal applies the disciplines of surveying, mapping, remote sensing, geographic information systems (GIS), and global positioning systems (GPS) to provide solutions for engineering and geospatial professionals.
