NEWS RELEASE

Optimal Awarded Two Orders Totaling US\$560 Thousand to Map County in USA

Vancouver, B.C. - Optimal Geomatics Inc., TSXV: OPG ("Optimal") a geomatics solutions provider to engineering and geospatial professionals, is pleased to announce the award of two new orders totaling US\$560 thousand to map a county in the Southeast United States.

The contract includes delivery of orthophotography of the entire county for homeland security, as well as update mapping of one-quarter of the county, finalizing a four year county-wide update mapping initiative.

Optimal Geomatics specializes in the science and technology of gathering, analyzing, interpreting, distributing and using geographic information. Optimal applies the disciplines of surveying, mapping, remote sensing, geographic information systems (GIS), and global positioning system (GPS) to provide solutions for engineering and geospatial professionals.
