NEWS RELEASE

Optimal Geomatics Ranks 8th in PROFIT 100 List

The 19th annual PROFIT 100 ranking of Canada's Fastest-Growing Companies List

Vancouver, B.C. - Optimal Geomatics Inc., TSXV: OPG ("Optimal") a geomatics solutions provider to engineering and geospatial professionals, is pleased to announce that it has been ranked #8 in the PROFIT 100 ranking of Canada's Fastest-Growing Companies list announced on Monday, June 4, 2007.

The PROFIT 100 profiles Canada's most successful high-growth companies based upon a five-year revenue growth model. Results of PROFIT's authoritative ranking have been published in the June issue of PROFIT and are also available online at www.PROFITguide.com.

"We are very proud to be associated with the PROFIT 100 List as it is a wonderful acknowledgement of Optimal and its team. This recognition is a reflection of everyone's ongoing support and hard work," commented Colum Caldwell, President & CEO of Optimal Geomatics Inc.

Optimal Geomatics specializes in the science and technology of gathering, analyzing, interpreting, distributing and using geographic information. Optimal applies the disciplines of surveying, mapping, remote sensing, geographic information systems (GIS), and global positioning system (GPS) to provide solutions for engineering and geospatial professionals.
